Mobera Systems gets CoR from NASSCOM

CHANDIGARH: Mobera Systems of Chandigarh has become the first IT company in the northern region to get the Certificate of Recognition (CoR) from Nasscom and Business Software Alliance (BSA). CoR is a unique programme introduced by Nasscom to encourage organisations to respect and follow Intellectual Property Rights (IPR) best practices and Mobera Systems is the first company in north of NCR Delhi to adopt the standards demonstrated by respecting IPR, using licenced software and voluntarily opening its internal processes for independent audit, said Dr Sanjay Tyagi, additional director, STPI, while presenting the Certificate of Recognition to Mobera, at CII in Chandigarh on Thursday. Complimenting Mobera, Dr Tyagi said that we are proud to have such a company in our region, which being an SME has all the potential to become a leading name in contract R&D. HTC
