Nasscom CoR for Mobera

TIMES NEWS NETWORK

Chandigarh : City-based Mobera Systems has become the first IT company in the northern region to get certificate of recognition (CoR) from Nasscom and Business Software Alliance (BSA).

CoR is a unique programme of Nasscom to encourage organisations to respect and fol-

low best IPR practices and Mobera Systems is the first company north of NCR, Delhi to adopt the standards demonstrated by respecting IPR, using licenced software and voluntarily opening its internal processes for independent audit, said Dr Sanjay Tyagi, additional director, STPI, while presenting the certificate of recognition. According to Lavang Khare, region-

al marketing manager, India for Business Software Alliance, only 15 IT companies in the country have so far been certified under this programme.

The company provides high end software solutions to clients across the globe in devising intelligent homes, remote patient management and hi-tech operation theatres in hospitals.
